SUPPLY LIST AND PRE-CUTTING INSTRUCTIONS

▶ The **Tucker Trimmer I** is required for this class. The tool is available from the instructor during class, or is available at your local quilt shop.

▶ **Fabric:**

6 assorted Fat Quarters

Background fabric: 5/8 yard

To optimize learning and sewing time, you will need to pre-cut your fabrics.

Note on the 6 assorted Fat Quarters: Think of laying out your fabrics in two rows of 3. The first row is made of fabrics 1, 2, and 3. The second row contains fabrics 4, 5, and 6. Row 1 will be on top of Row 2, like the first two rows in a 9-Patch block. This should help you decide in what order to place your fabrics.

You will number each Fat Quarter from 1 through 6, and keep track of which fabric is which number. The pre-cutting will be different for each Fat Quarter.

- From Fat Quarter #1:

Bring whatever extra fabric you have, just in case of mis-cuts

- ▶ Piecing thread that will contrast with your fabrics on the back
- ▶ Rotary cutter with fresh blade
- ▶ Small cutting mat
- ▶ Marking pencil or Pigma Pen that draws a fine line and also contrasts with the wrong side of your fabrics
- ▶ 6" x 12" ruler or larger with a 45 degree angle line across the ruler
- ▶ Basic sewing supplies: fabric scissors, pins, seam ripper, etc.
- ▶ Pencil and pad for notes

Optional: ▶ Small iron and pressing surface
