

## Skyfall Block of the Month #32

**Block Size 5 ½" x 5 ½"**

The **Tucker Trimmer 1** tool is required for this star. This tool is available at my online store at [www.KathieBeltz.com](http://www.KathieBeltz.com) or at your local quilt shop.

### Cutting Instructions:

From Light Green Fabric:

- Cut 2 squares 3" x 3"
- Cut 1 square 1 ½" x 1 ½"

From Dark Blue Fabric:

- Cut 2 squares 3" x 3"
- Cut 4 rectangles 1 ½" x 2 ½"

### Construction:

- On the wrong side of the two Light Green 3" x 3" squares, mark two stitching lines ¼" on either side of a center diagonal line. (Use your Quilter's Magic Wand if you have one!)
- With one Light Green Square and one Dark Blue square right sides together, stitch on the lines, then cut down the middle.

- Press seams toward the Dark Blue fabric on all four blocks.

- Now trim the blocks to 2 ½" square. Position the Tucker Trimmer™ over the block, so that the 2 ½" dashed-line square is on top of the fabric and the solid diagonal line sits on top of the stitched seam as shown. Trim two sides.

- Rotate the block and position the Tucker Trimmer™ again over the block. Make sure that the 2 ½" dashed-line square lines up with the two sides you just trimmed, and the solid diagonal line sits on top of the stitched seam as shown. Trim the other two sides.

- Lay out the four Half Square Triangle blocks, the Light Green square, and the four Dark Blue rectangles as shown in the diagram.

- Sew the rectangle and the two Half Square Triangle blocks together in the top and bottom rows - press seams in.
- Sew the two rectangles and the Light Green square together in the middle row - press seams out.

- Sew the three rows together, matching the seams and points - press seams open to complete the block.
