BlockBusters

Ohio Star Variation 1

Made using the Tucker Trimmer® I

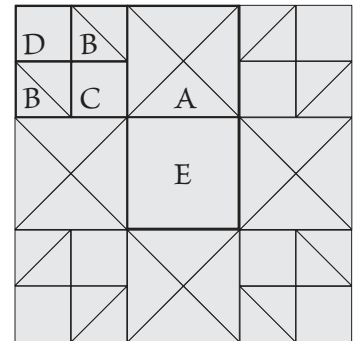

Studio180Design.Net

All the instructions you need to make the Half Square and Quarter Square Triangle units required for this block came with your Tucker Trimmer® I. There's a chart, step by step graphics, and directions. Starting with the chart, find the column for the finished size of the unit you want to make, follow it down to find what size squares you need to cut to make both your half square triangles and quarter square triangles. Then work your way through the instructions. That's all there is to it, easy peasy!

When making your quarter square triangles you will need to use 1 light, 1 medium and 2 dark fabric squares as is shown in the instructions for the bonus block pattern in your Tucker Trimmer® instructions. Pay attention to the placement of the light, medium, and dark fabrics as you create your quarter square units.

Cutting Chart

Unit	# of units required	6" Finished Block Size	12" Finished Block Size	15" Finished Block Size
A: Quarter Square Triangles	4	2" finished size 2½" cut size	4" finished size 4 ½" cut size	5" finished size 5 ½" cut size
B: Half Square Triangles	8	1" finished size 1½" cut size	2" finished size 2½" cut size	2 ½" finished size 2½" cut size
C: Square	4	1½" square cut size	2½" square cut size	3" square cut size
D: Square	4	1½" square cut size	2½" square cut size	3" square cut size
E: Square	1	2½" square cut size	4½" square cut size	5½" square cut size
