# BlockBusters

## Shuriken

Made using Studio 180 Design's Split Rects®

BlockBusters 2016: #14  
Difficulty: ★★★★★

All the instruction you need to make the units required for this block came with your Tucker Trimmer® I and Split Rects® tools. There's a chart, step by step graphics, and directions. Use the chart in the instructions to find the finished size of the unit you want to make, follow the row across to find what you need to cut to make those units. Then work your way through the instructions.

There is a partial seam in this block that you will need to pay attention to. When you build this block you will make your units first, then assemble four identical sections. Each section is made up of two Split Rects units, one half square triangle, and one square. Once you have the sections sewn together you will lay them out following the line drawing so that you get the orientation correct. The partial seam is done by taking section 1 and flipping it right sides together on top of the center square, aligning the raw edges of the square and section 1. Stitch half to  $\frac{2}{3}$  of the way down your center square, back tack a few stitches. Press the seam away from the center square. Take section 2 and align it with the long straight edge. Stitch along the whole length and press away from the center square. Repeat for the next two sections. To finish your partial seam, align section 1 with the now straight edge and complete your line of stitching.

### Unit Summary

### Assemble Block

Partial seam, stitch  $\frac{2}{3}$  down center square

Stitch along long edge

Repeat and finish partial seam

## Unit Summary

Unit A

Unit B

Unit C

Assemble Units into Sections

## Cutting Chart

Unit	# of units required	7½" Block	10" Block	15" Block
A: Split Rects; Unit Type #1 lower right to upper left	8	1½" x 3" finished unit 2" x 3½" cut size	2" x 4" finished unit 2½" x 4½" cut size	3" x 6" finished unit 3½" x 6½" cut size
B: Half Square Triangles	4	1½" finished size 2" cut size	2" finished size 2½" cut size	3" finished size 3½" cut size
C: Squares	5	1½" sqs. cut size	2½" sqs. cut size	3½" sqs. cut size
